### **DETAILED ACTION**

1. Claims 1, 4-10, 13-101 of US Application 09/922,250, filed 8/6/2001, are presented for examination. Claims 1, 4-10, 13-101 are allowed over the prior art of record.
2. Applicants have not provided the incorporated references as requested. Therefore they are deemed non-essential matter.

### **Examiner's amendment**

3. The following is an examiner's amendment:
  - please change [3] to -1—in claims 41-43, 48, 52, 55, 91 (first line of the claims).
  - please delete [or 11] in claims 13-27, 29-31, 34-40 (first line of the claims).
4. The Examiner called Applicant's Representative on July 11, 2006 to obtain permission for the amendment and left a message. No reply has been received.

### **Allowable Subject Matter**

5. The following is an examiner's statement of reasons for allowance:

Applicant's arguments on paragraph three of page 19 of Applicant's response are persuasive. Taylor et al. disclose a system and method for addressing the paradoxes and problems associated with the Knowledge Economy, and the transition to it. The system and method of the present invention create a unified experience of work that

scales from individual thought processes to the building and using of a global system of commerce. Described in several levels of recursion, the system and method of the present invention integrate, into a single system and method several discrete Sub-Systems and methods that comprise a myriad of now unintegrated tools and processes that are conducted across contradictory and non-collaborative environments. However, Taylor does not disclose or suggest the claimed invention, as expressly recited in the claims, and as defined in the specification.

6. Applicants have made no other arguments. The incorporated references have not been considered.

7. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
